## 2017 Special Project Appeal

In a world full of agendas, many of them self-serving, we as the body of Christ have an agenda that supersedes all else—to reach the whole world with this great gospel. No one will argue the fact that we are near the end of all things and are facing the coming of the Lord. Our meat is to do the will of God and to finish His work. His work while on this earth was to seek and to save the lost of this world, and because of our relationship, it has become our work in this generation. Each year around this time, we have the great opportunity to accomplish His will by giving to great causes that remain yet unfulfilled. If . . .

- your church has extra funds in its missions treasury that have yet been undesignated;
- you are a person that has been financially blessed and you want to pass along that blessing;

we have a project in each of the six regions of the world that would greatly benefit from your efforts. A donation of any amount will help us finish the work that has been started. Please join us in doing the will of God and help finish His work by taking one or more of these causes to heart. Please send your donation, to **Global Missions, 36 Research Park Court, Weldon Spring, MO 63304**. Please designate your offering with the codes listed below.

### Pacific Church Building - \$16,000.00

The churches in Samoa, working together, have been able to lease a piece of property long term for the purpose of constructing a church in an unreached village. The total projected remaining cost of \$16,000 includes the church building and a pastor's residence. Thank you for investing in reaching souls in Samoa!

Code: GMFOPT.229.2107

### Europe and the Middle East Bible School - \$10,000.00

The Bible schools in Spain are working tirelessly to train and produce ministry across the nation. There are financial needs necessary to be met if we are to continue to work effectively.

Code: GMFOPT.4330.2201

### Next Steps

This summer twenty-eight young people, along with a great group of instructors, will be in Scotland and several other areas in the United Kingdom, for eight weeks of missions apprenticeship. Three weeks of fulltime training leads into five weeks of hands-on practical and cross-cultural experience. We need financial assistance with supplementing the overall cost of this program (housing and feeding the instructors for the program and many other incidentals). An offering of any amount would be appreciated. Your assistance goes a long way in helping young people take their next step in reaching their world. Additionally, funds are needed for the general promotion of the AIM (Associates In Missions) program. [www.nextstepsprogram.net](http://www.nextstepsprogram.net)

## Asia

### Motorcycle - \$2,900.00

Transportation is a challenge in South Asia. Generally, the cost of a taxi on a regular basis is more than a local pastor can afford. Motorcycles are a cost effective and convenient means of transportation. Please consider donating towards the purchase of a motorcycle for a pastor for South Asia.

Code: GMFOPT.224.2405

## Africa

### Zambia Bible School - \$2,600.00

The Word Aflame Bible School in Zambia, is in need of mattresses for the dorms. They need thirty mattresses at a total cost of \$2,600.00. This will help those who come to study with a good night's sleep.

Code: GMFOPT.172.2204

## South America

### Copier - \$3,000.00

There is a need for a high-speed copier for the Bible school in Buenos Aires. Copiers are essential for the duplication of study materials as well as tracts to be handed out. This project can be funded for \$3,000.00.

Code: GMFOPT.15.2204

## Central America and the Caribbean

### Church Roofs - \$12,000.00

Two of the churches in Costa Rica were damaged by a hurricane that hit the country in November 2016. These churches are located in poor, rural locations and are mainly attended by people living locally. The entire roofing structures are needed, including trussing and metal sheeting. The cost for materials and construction per roof is \$6,000.

Code: GMFOPT.277.2102

## Regional Missions Program

### Support of Regional Missionaries - \$5,000.00

Regional missionaries are national ministers approved and sent by the church of one of our six overseas regions. Their field of labor may be within their home region or in another region. Regional missionaries do not have deputation privileges in North America, and this program does not replace the missions effort of Global Missions. Rather, the Regional Missions Program serves to augment such efforts. When one supports a regional missionary, he is supporting the program rather than the individual.
