## Global Glimpses

**IRELAND:** We are very excited about our Sunday school and Youth groups that are steadily growing. They've been together in one room the last six months, and need to split up for specific age teaching and further growth. The Sunday school floor was rotted, so we tore it completely out, put new flooring in, and are in the process of painting and setting up for the younger children. It will be fully operational in a few weeks to better accommodate the harvest of young families, children and youth that God is blessing us with. We also recently completed major work on the church septic system. This will continue to bless us in better accommodating our AIMers who reside in the church property living facilities.—**Joe and Fanny Cooney**

**SCOTLAND:** On March 5, 2015, we arrived back in Scotland. Our heart felt thanks goes out to the North American churches and our faithful partners. Because of your sacrificial giving, we had ten months taken off our deputation travels. Upon our return, we are excited to report new visitors in Edinburgh. Rachel (pictured below)

came on a Sunday in March, and then for Thursday Bible study, and has not stopped coming since. I'm now teaching her a Bible study. She has such a hunger to learn and weeps through every lesson at the greatness

of God and things she never understood before. This week my husband taught on baptism and she said "Yes, please!" She was so excited! Also, another lady who recently started coming is talking about baptism. God is moving in the land. Watch Edinburgh for more exciting news in the future. We're claiming the land and His promises for a great harvest!—**John and Susan Beek**

**SPAIN:** God is pouring out His Spirit continually throughout Spain. We have traveled through Spain these past few months and have seen the Lord fill many with the Holy Ghost and do many mighty miracles. God has opened blind eyes, deaf ears and healed many of tumors and cancers. We thank God for all He is doing. We have also invested our time in teaching in the Bible schools where we are raising up future pastors and leaders. We have fifty-five students in Madrid and thirty-two students in Barcelona. Thank you for your continued prayers and financial support that make it possible for us to continue the work in Spain, a nation of forty-seven million souls.—**Nathan and Tanya Harrod**

**HUNGARY:** Thirty-four prayer warriors went throughout Budapest with focused prayer in this great city. We prayed in Budapest as we walked the streets. We prayed through Budapest as we sailed on the Danube River, right through the middle of the city. We prayed over Budapest as we went to a high point overlooking the city. We prayed under Budapest as we split into teams and road the underground

metro trains. The trip finished with a wonderful service in this beautiful city. **Missionary Michael Patterson** lead this service and there were a number of local people present. This was an amazing opportunity for past and present students of Harvest Bible College. Their lives were truly changed by this experience.—**Robert and Jerolyn Kelley**

### Project of the Month: Literature in South America

We have an urgent need for quality literature to be accessible to our ministers in South America. We would like to raise \$2,500.00 to give each of our ministers in Bolivia several books on topics such as doctrine, leadership and ministry, as well as a book on biblical knowledge.

If you would like to help us in producing this literature, please send your donation to:
