General Conference 2013 Theme - Cities...In the Name

There are so many cities within each of the regions of Global Missions that are teeming with untold millions of lost souls. Our objective this year is to plant a seed church in ten cities per region.

By raising \$5,000 per city, we can send a task force into the borders of these lost harbors and start a growth center that will build into a new church.

We are looking to open ten per region which would give us sixty "NEW" preaching points with a concentrated effort that will build into a new "CHURCH" over the next year. Think of it – sixty "NEW

CHURCHES" in sixty unreached locations in cities such as:

- **Phnom Penh, Cambodia**, in the Asia Region
- **Garapan, Saipan**, in the Pacific Region
- **Antiguo Cuscatlán, El Salvador**, in the Central America/Caribbean Region
- **Berlin, Germany**, in the Europe/Middle East Region
- **Pando, Uruguay**, in the South America Region
- **Mochudi, Botswana**, in the Africa Region

Many more will now have the opportunity to have a church that will reach them with the gospel of Christ and Him crucified!

By helping us raise \$5,000 per city, you can be involved in having a personal impact in reaching ONE city.

To donate, send checks designated to "Cities in the Name" to Global Missions, 8855 Dunn Rd., Hazelwood MO 63042.

You may also donate via our website at www.globalmissions.com.

Will you join us in this effort to reach lost souls across the world?
