## *Gary and Linda Reed*

Brother Reed baptizing

Gary and Linda Reed were appointed missionaries in 1979. He serves as the Area Coordinator for the UPCI in the Middle East, North Africa and the Gulf States. The UPCI now has seven churches in Jordan with a legal charter and type of legality in Israel, Palestine, Egypt and Lebanon, and we now have an apostolic presence in nineteen of the twenty-two countries for which Gary is responsible. Linda is the administrator for Jordan and has done a great job growing the work there. When they return to the field after their 2014 deputation, they will focus on legality in the rest of the countries and planting or finding apostolic presence in the three remaining countries under Gary's oversight.
