Filippo & Brenda Ciulla

Belgium and Luxembourg

The Ciullas received their appointment to Belgium in 1985. Arriving in Brussels in 1986, they assumed leadership of the church with a small group in the city of Brussels. There are now nine churches, nineteen licensed ministers, a Bible school and regular training seminars. In their last term four new churches were started. When returning to the field they will continue with training programs and starting new churches in Belgium.
