Biography

The Hemuses have been in the United Kingdom for sixteen years and have seen over 500 people filled and baptized, many miraculous healings and had a tremendous effect on one of the worst neighborhoods in England. God has been very gracious towards them. They built a new church facility, a new youth center, Sunday school and daycare. John has been District Superintendent for nearly ten years in the Central District of the UK. Before becoming full time in Global Missions, he evangelized for several years in Europe, India and Great Britain. Together the Hemuses have seen thousands receive the Holy Ghost. They have a very strong ministry in evangelism, teaching, missions and pastoral care. Sherri is a national ladies speaker and is involved in Sunday school and administration. Their children have been very involved in the missions' work with both their sons now being licensed ministers in the UK. Their daughter is married to the Youth Pastor of the Rock Church in Sacramento.
