Nigeria

Praise Report from Brother Reny: "Four were baptized in the saving name of Jesus Christ while I was in the East dealing with my mother's sickness. But that did not stop me from reaching out to souls! In fact, one woman was a powerful witch doctor. When the power of God came upon her, she denounced and burned all her charms and practicing materials. She was baptized in the saving name of Jesus Christ and was also baptized with the gift of the Holy Ghost! Hallelujah! There is revival going on in Nigeria! We are not ashamed of the gospel of our Lord Jesus Christ for it's the power of God unto salvation to everyone that believe."

Croatia

We baptized a young man from Nepal and it was wonderful to see God fill him with the Holy Ghost while he was still in the water! I've never seen that in Croatia before. We have a baptism service coming up in the ancient city of Dubrovnik and it will take place in the Adriatic sea. In a matter of a month, we are having three baptisms of two Croatians and one foreign worker. God is doing awesome things in Croatia!

Guyana

We are rejoicing for souls continuing to be born into the kingdom of God. Although we have faced lock-downs, curfews, restrictions, etc. we are thankful that the truth is marching on. From the beginning of 2020, we have witnessed over 150 filled with the Holy Ghost and over 150 have been water baptized in Jesus' name!

Dominican Republic

At a ministers' meeting in San Juan, Pastor Reyita Matos testified of a premature baby that was brought to the church for prayer. While at the church, the baby died in the pastor's arms. But, the church prayed and the Lord raised the infant from the dead! We give thanks for more than 100 baptisms around the country during the pandemic! Recently, sixteen people were baptized from the church in El Tamarindoin in one day! Praise God!
