Global Glimpses

WINDWARD ISLANDS: We have been very busy in the nation of Grenada. Our Bible school continues with a total of twenty enrolled students. The sessions have been outstanding and there is an excitement in these classes like I've never experienced before. In the month of October we even had people receive the Holy Ghost during class! That same month, we held a Pentecost rally and were joined by my pastor, **Greg Frazier**, and friend, **Reverend Cody Ashworth**. It was an incredible weekend for the entire church family. Our new church work, which we are pastoring in the city of Grand Anse, has been open since September, and we have seen steady attendance and are involved in regular

outreach efforts and prayer for this area. Our average attendance is around fourteen each Sunday morning. Brandi and our daughters are leading the Sunday school classes. There have also been new baptisms (pictured above) and new people filled with the Spirit, so we rejoice over what God is doing.—**Devin and Brandi Doyle**

KYRGYZSTAN: This year in the country of Kyrgyzstan twelve pastors were baptized in Jesus' name along with many leaders and saints. God stretched out His Hand to heal and granted many signs and wonders. Many have received the Holy Spirit. The work is spreading into Central Asia. We also held seminars with several pastors this January in Serbia. Many of these pastors have not yet been baptized in Jesus' name. In Riga, Latvia, a Lutheran pastor received the baptism of the Holy Spirit, and she is leading another pastor to the truth.—**Mark and Robin Shutes**

GUATEMALA: On November 7, a 7.4 earthquake hit Guatemala in full force. We are thanking the Lord for His hand of protection on His people. Only two pastors and two church families had their homes either destroyed or severely damaged and none suffered injuries. Pastor Sebastian Suy's home was completely destroyed in the quake. Through your generosity, he and his family were able to purchase blocks to begin rebuilding. To all who gave, thank you for blessing this precious family!—**Lynne Jewett**

Evangelism in Caaguazu

In 2012, we and three of our youth made multiple trips to the city of Caaguazu for street evangelism in the market place. On our first visit we had church with friends and neighbors. Our second visit was with two families, one family member of a brother in the church in San Pedro and the other with family of a young man in our church.

We had a service with new guests, a teacher and daughter of one of the neighbors of Sister Blanca de Cristaldo. She was baptized in Jesus' name in Buenos Aires, Argentina.

On our third visit we had a service and prayed for a sick man who is the husband of a lady that works in the market place with Sister Blanca.

We recently baptized our first soul and are believing that a church will be raised up in this beautiful city.—**Joey and Cristina Bir**

MOSCOW: The city of Moscow will never be the same. **Brother and Sister Linville** (pictured above), from Virginia, brought a ministry group to Moscow the second week in August. They came to pray over our city and minister. Brother Linville spent most of the week praying over Moscow while Sister Donna Linville and their group traveled with us to key places in Moscow where we conducted prayer walks and asked God for revival. They also ministered in several ways to our English club/Sunday school and in the adult service in the Southeast Region of Moscow. We are so thankful for the sacrifice they made to travel, serve, and be a blessing in so many ways!—**Robert and Sheri Moses**

INDONESIA: General Conference 2012 went down as the biggest in Indonesia's history. More than 100 preachers were ordained! Crowds topped 500 as more than 400 preachers along with some of their wives and church workers gathered from across the many islands of Indonesia. The General Conference is held only once in four years due to the expense and distance the pastors must travel from across the archipelago. We were blessed to have **Brother and Sister Bruce Howell** ministering in this special meeting. We were also pleased to have **Brother and Sister Roger Buckland**, newly appointed Regional Director to the Pacific.—**Rodger and Margaret White**
