SOUTH AFRICA

Despite being hit hard with COVID, the church is moving forward in South Africa. The KZN District reported twenty-five people baptized

in Jesus' name. One of the twenty-five individuals baptized

was a pastor in an area where we have no UPCI work! Such a miracle! Various outreaches have taken place which included feeding the hungry.

FINLAND

We previously shared on our page about a home Bible study class in Helsinki being taught by Pastor Candace Lindholm. Of the three students who attended every class, all three are now teaching their own personal Bible studies to either their friends or family. Discipling others makes a difference and we are thankful for the

furtherance of the Gospel in both Helsinki and Turku.

UK & IRELAND

Around 375 people joined the National Prayer Rally in Great Britain & Ireland on Zoom, and many more on social media, with a total active reach of over 9,000. This means this many people were engaged for two hours or more of this four-hour prayer meeting.

HONG KONG

The Hong Kong government has not allowed church gatherings since December 2.

However, we have still been baptizing!

We have received four reports of

individuals who have been baptized in Jesus' name! One woman was baptized last October but, she just received the gift of the Holy

Ghost during online preaching!

MADAGASCAR

In the month of February, we received reports of forty-seven people being baptized in Jesus' name and fifty-six filled with the Holy Spirit around the island of Madagascar!

LEBANON

In Lebanon, we have experienced many economic problems, as well as a large explosion in August which was considered one of the largest non-nuclear explosions in history. The explosion resulted in 204 deaths, and hundreds of thousands of people were left homeless. However, through it all, the Lord has provided through CSI (Compassion Services International), and we are grateful to be able to minister to our communities.

We are also happy to report that we have recently been able to baptize eleven people in the Mediterranean Sea!

EVANGELISM

These funds help us to continue traveling to the cities of Tartu and Narva for services and Bible studies, as well as for advertisements and rental of the conference rooms we use. Over the past three years, God has added to the church, and several have been born again of water and Spirit.
