2015 Special Project Appeal

In a world full of agendas, many of them self-serving, we as the body of Christ have an agenda that supersedes all else—to reach the whole world with this great gospel. No one will argue the fact that we are near the end of all things and are facing the coming of the Lord. Our meat is to do the will of God and to finish His work. Our sustenance is to fulfill His will. His work while on this earth was to seek and to save the lost of this world, and because of our relationship, it has become our work in this generation. Each year around this time, we have the great opportunity to accomplish His work by giving to great causes that remain yet unfulfilled. If . . .

- your church has extra funds in its missions treasury that have yet been undesignated;
- you are a person that has been financially blessed and you want to pass along that blessing;

we have a project in each of the six regions of the world that would greatly benefit from your efforts. A donation of any amount will help us finish the work that has been started. Please join us in doing the will of God and help finish His work by taking one or more of these causes to heart. Please send your donation, to **Global Missions, 8855 Dunn Road, Hazelwood MO 63042**. Please designate your offering with the codes listed below.

Pacific Church and Bible School Repair - \$10,000.00

On March 13, Category 5 Cyclone Pam made a direct hit in the Republic of Vanuatu in the South Pacific Ocean. This will likely be one of the worst natural disasters in the island chain's history. Our headquarters church was completely destroyed, which also serves as the national Bible school. Missionary Peter Gratton reports that thousands and thousands of dollars are needed to begin rebuilding these properties, not including outer island churches which also suffered great damage. Any amount of donation would be greatly appreciated and will go a long way.

Europe and the Middle East Literature Translation - \$5,000.00

Help us put Apostolic literature in the hands of people in the Middle East, North Africa and the Gulf States.

Next Steps

Each summer dozens of potential missionaries gather together for eight weeks of involvement on the mission field. Three weeks of fulltime training leads into five weeks of hands-on practical and cross-cultural experience. We desperately need assistance with supplementing the overall cost of this program: paying for costs like housing and feeding the instructors for the program and many other incidentals. An offering of \$100.00 could support this vital program for a day. Our 2016 Next Step program will be to Costa Rica in Central America. Additionally, funds are needed for the general promotion of the AIM (Associates In Missions) program. Your assistance will go a long way in facilitating those AIMing to reach their world. www.nextstepsprogram.net

Don't forget to include Global Missions in your estate planning.

Asia

Church Building - \$4,500.00

A church in the "Golden Triangle" area of Southeast Asia has provided land for a church building and will also supply all of the labor that is required to build a building. All that is needed is \$4,500 for materials to complete this project.

Africa

Tracts for Africa - \$10,000.00

The printed word is always important in evangelism, something to put in the hands of those that are interested in knowing more about Jesus. The printed tract over the years has probably been one of the most effective tools available in outreach. In Africa, we call it the paper preacher. We literally need millions of them. There will be tracts in French, Swahili, Malagasy, and many other languages. Some can be printed for as little as \$.01 each but others will be quite a bit more. Any amount given would be very appreciated. A Sunday school class could save pennies for tracts and send it in. A youth group could dedicate their giving for one month to buy tracts. If a person sends a check for \$100.00 it could buy 10,000 of the lower cost tracts. Help us spread the good news!

South America

Literature - \$2,500.00

We have an urgent need for quality literature to be accessible to our ministers. We would like to raise \$2,500.00 to give each of our ministers in Bolivia several books on topics such as doctrine, leadership and ministry, as well as a book on biblical knowledge.

Code: GMFOPT1506.6015.2301

Central America and the Caribbean

Bible School Furnishings - \$10,000.00

The Bible school in Panama is needing \$10,000.00 for desks, chairs, book shelves, etc. to better accommodate the students. The Bible school was recently finished and they need just about everything in terms of furniture. This will help those who come to study which in turn will benefit the entire work.

Regional Missions Program

Support of Regional Missionaries - \$5,000.00

Regional missionaries are national ministers approved and sent by the church of one of our six overseas regions. Their field of labor may be within their home region or in another region. Regional missionaries do not have deputation privileges in North America, and this program does not replace the missions effort of Global Missions. Rather, the Regional Missions Program serves to augment such efforts. When one supports a regional missionary, he is supporting the program and not the individual.
