2016 Special Project Appeal

In a world full of agendas, many of them self-serving, we as the body of Christ have an agenda that supersedes all else—to reach the whole world with this great gospel. No one will argue the fact that we are near the end of all things and are facing the coming of the Lord. Our meat is to do the will of God and to finish His work. Our sustenance is to fulfill His will. His work while on this earth was to seek and to save the lost of this world, and because of our relationship, it has become our work in this generation. Each year around this time, we have the great opportunity to accomplish His work by giving to great causes that remain yet unfulfilled. If . . .

- your church has extra funds in its missions treasury that have yet been undesignated;
- you are a person that has been financially blessed and you want to pass along that blessing;

we have a project in each of the six regions of the world that would greatly benefit from your efforts. A donation of any amount will help us finish the work that has been started. Please join us in doing the will of God and help finish His work by taking one or more of these causes to heart. Please send your donation, to **Global Missions, 8855 Dunn Road, Hazelwood MO 63042**. Please designate your offering with the codes listed below.

Pacific Church Property - \$10,000.00

The church in New Caledonia currently has no property of its own. In Noumea, the capital city, we have been using a building for several years that was built in a squatter's community on government land. This area is now needed by the city and the church has been informed that they must vacate the property. It is our desire to purchase property in the capital to build a permanent headquarters church and suitable Bible school facilities for the training of our nationals. \$10,000 added to what has already been raised would help secure a downpayment for this property.

New Chairs - \$1,000.00

Help support the military ministries in Landstuhl, Germany. Bethel, which was started in the 1960s, is now ministering to the military personnel in the western part of Germany and is in need of chairs.

Next Steps

Each summer dozens of potential missionaries gather together for eight weeks of involvement on the mission field. Three weeks of fulltime training leads into five weeks of hands-on practical and cross-cultural experience. We desperately need assistance with supplementing the overall cost of this program: paying for costs like housing and feeding the instructors for the program and many other incidentals. An offering of \$100.00 could support this vital program for a day. The 2017 Next Step program will be to Scotland. Additionally, funds are needed for the general promotion of the AIM (Associates In Missions) program. Your assistance will go a long way in facilitating those AIMing to reach their world. www.nextstepsprogram.net

Bible School Furnishings - \$10,000.00

The Word Aflame Bible School in Zambia, was built in the early 80's, and is presently going through a much needed remodeling. There is an urgent need for \$10,000.00 to replace the desks, chairs, book shelves, and mattresses, to better accommodate the students. This will help those who come to study which in turn will benefit the entire work.

Literature - \$2,500.00

We have an urgent need for quality literature to be accessible to our ministers. We would like to raise \$2,500.00 to give each of our ministers in Bolivia several books on topics such as doctrine, leadership and ministry, as well as a book on biblical knowledge.

Bible School Furnishings - \$10,000.00

The Bible school in Panama is needing \$10,000.00 for desks, chairs, book shelves, etc. to better accommodate the students. The Bible school was recently finished and they need just about everything in terms of furniture. This will help those who come to study which in turn will benefit the entire work.

Regional Missions Program

Support of Regional Missionaries - \$5,000.00

Regional missionaries are national ministers approved and sent by the church of one of our six overseas regions. Their field of labor may be within their home region or in another region. Regional missionaries do not have deputation privileges in North America, and this program does not replace the missions effort of Global Missions. Rather, the Regional Missions Program serves to augment such efforts. When one supports a regional missionary, he is supporting the program rather than the individual.
