2020 Special Project Appeal

In a world full of agendas, many of them self-serving, we as the body of Christ have an agenda that supersedes all else—to reach the whole world with this great gospel. No one will argue the fact that we are near the end of all things and are facing the coming of the Lord. Our meat is to do the will of God and to finish His work. His work while on this earth was to seek and to save the lost of this world, and because of our relationship, it has become our work in this generation. Each year around this time, we have the great opportunity to accomplish His will by giving to great causes that remain yet unfulfilled. If . . .

- your church has extra funds in its missions treasury that have yet been undesignated;
- you are a person that has been financially blessed and you want to pass along that blessing;

we have a project in each of the six regions of the world that would greatly benefit from your efforts. A donation of any amount will help us finish the work that has been started. Please join us in doing the will of God and help finish His work by taking one or more of these causes to heart. Please send your donation to **Global Missions, 36 Research Park Court, Weldon Spring, MO 63304**. Please designate your offering with the codes listed below.

Papua New Guinea Bible School Kitchen - \$5,000.00

The Bible school in Papua New Guinea is in need of kitchen cabinets for a Bible School. We have a brand new, empty kitchen / catering room built and just need to finish it with cabinets and appliances. We have forty-two students from all over Papua New Guinea and we feed them twice a day. This will be an investment that keeps on giving for years to come.

City Evangelism - \$4,000.00

These funds help us to keep traveling to the cities of Tartu and Narva for services and Bible studies, as well as for advertisements and rental of the conference rooms we use. Over the past three years, God has added to the church, and several have been born again of water and Spirit!

Next Steps

This summer, due to the coronavirus, our Next Steps program suffered a considerable loss of funds. Due to the nature of the pandemic and the ways in which some foreign countries do not offer refunds or allow rescheduling, we lost much of the amount we paid for hotel accommodations for participants and staff. We will move forward next summer in two locations—East Asia and Fiji—with three weeks of training and five weeks of apprenticing as usual. However, in the meantime, we need help recovering financially from this loss. Your assistance would go a long way in helping this program continue to assist people find their next right step in missions. Join the effort to train “goers” in cross-cultural ministry! Thank you for your gift to Next Steps.

Church Building in the Golden Triangle - \$5,000.00

Funds from this project would build a country church in the region near the border of Myanmar and Thailand. We currently have a head pastor that travels to fifty villages in this area. He has built several village churches already and has the ability to build more with the local saints providing all the labor.

Regional Missions Program

Support of Regional Missionaries - \$5,000.00

Regional missionaries are national ministers approved and sent by the church of one of our six overseas regions. Their field of labor may be within their home region or in another region. Regional missionaries do not have deputation privileges in North America, and this program does not replace the missions effort of Global Missions. Rather, the Regional Missions Program serves to augment such efforts. When one supports a regional missionary, he is supporting the program rather than the individual.
