GLOBAL GLIMPSSES

CROATIA - While we are continually battling for the souls of Croatia, we would like to request special prayer and fasting for our first conference in Zagreb, August 10-12. It will be the first major evangelistic push and the enemy will be fighting it all the way. We are expecting the miraculous and already thanking God for those delivered and saved!—**Radovan and Tanya Hajduk**

KENYA - Over the last several months we have traveled to several areas and seen many new souls filled with the Holy Ghost, baptized in Jesus' name and healed. In our ministers' conference in February, 2012, we heard several first hand accounts of miracles. One of the pastors in one of our village churches testified how after prayer, the Lord raised a man from the dead. This brought great revival to that area as the people saw the power of God demonstrated and became convinced of the apostolic message. Pastors **Sammy Stewart** and **David Drysdale** also blessed the conference with their anointed ministry.—**Patrick and Jean Groves**

FRANCE - Pastor **Gary Randol** and his son, **Nathan**, taught various pertinent themes regarding Sunday school education to about ninety teachers and aides during a recent national Sunday school seminar. The next day, Brother Randol kept us on the edge of our seats in the overcrowded sanctuary as he ministered the Word of God. Several children and adults received the Holy Spirit baptism. There is revival also among children in our churches!—**Sam and Pat Balca**

FINLAND - On April 11, 2012, our family celebrated with two young ladies as they received the gift of the Holy Spirit during our weekly home group meeting. We met them at our first language class and both have been attending since mid-fall 2011. Pictured is one of them being

baptized in the precious name of Jesus. She has told us that she has been talking to her coworkers about our home group and sharing how God's presence is "real there!" Praise God!—**Mark and Glenda Alphin**

CHILE - The earth did quake! Simultaneously the power of the Holy Ghost and the 7.2 quake twenty-one miles deep in the earth rocked Chile. A team of ministers met in Santiago for "Pentecostal Invasion." Invaded by the power of God, a total of fifty-three received the Holy Ghost, twenty-five proclaimed healing, and the glory of the Lord filled the house. As the earth trembled we kept on exalting this precious name, Jesus Christ! Thank you, Brother **Mario Zunzunegui** and team, for blessing Chile with your ministry.—**Darry and Kathy Crossley**

PAKISTAN - During this quarter we had the privilege of seeing four of our New Life Theological Seminary students baptized in Jesus' name! As we have such a strong reputation for quality teaching in the Christian community, many of our students come to us from other denominations. These young men quickly see the biblical evidence of the Acts 2:38 message.—**Curtis and Amanda Scott**

PROJECT OF THE MONTH:

Tonga Church Building

A young Tongan family went to a northern island in Tonga about five years ago and have raised up a congregation of about forty-five people. This is our first church on this island.

Property has been secured, footings and foundation have been laid and the structure has been started. We are needing to finish this building before the end of this year in order to establish a stable presence for the United Pentecostal Church of Tonga and bless this young congregation.

If you would like to assist the work in Tonga, please send your donations to:
