Monthly Project Highlights

1 - BUILD A NEW CHURCH! \$5,000

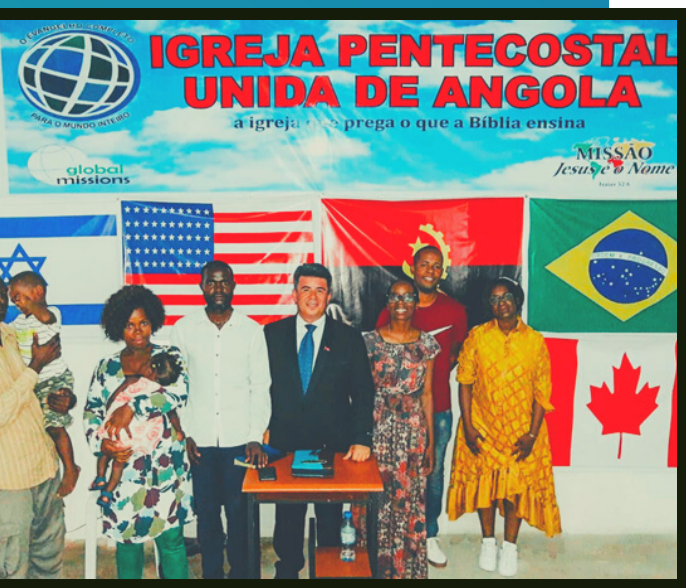

In the Golden Triangle, along the border of Myanmar and Thailand, one of our UPCI pastors travels to fifty villages! He has built several churches already and they are in need of funds to put up a country church in the region. The local saints will provide all the labor but materials are needed.

Project #: GMGP.136787.2107

2 - FIRST UPC CHURCH IN AN ENTIRE NATION \$10,000

The nation of Angola, Africa, needs funds to purchase land so they can build the first UPC church in the entire nation. Help break ground in a new nation by giving!

The Nordics

The pandemic has opened up a marvellous new door of opportunity for prayer. The Regional Prayer Trip was to be to Stockholm, Sweden, this year. It was not possible to go, so it was decided that we would have the prayer team and others to join together in prayer on Zoom on the dates we were meant to be in Sweden.

This was an extremely powerful time of prayer and has opened the door for us to have virtual prayer walks/meetings in various European countries. One is scheduled for each month.

In June an extremely powerful time of prayer was had for Finland. July found us praying for Iceland. Dozens of people have joined together for these prayer times. It is wonderful to know prayer missionaries are having an impact on these nations.

Belgium

We are so thankful to report that even during this perilous time, God is still pouring out His Spirit on all flesh. In the Brussels church, during the month of May, at least three were baptized in Jesus' name and each one came out of the water speaking in that heavenly language! To God be ALL the glory!

Within the next month or so, the churches in Belgium are hoping to bind together and do a prayer walk in the city of Gent, population 260,000+. This city is targeted for a new work and we would appreciate it if you would keep this endeavor in your prayers.

Greece

The lockdown has slowly lifted and now we are able to meet at the church building under strict guidelines, yet God's presence knows no boundaries. We have had eight first time visitors, six receive the Holy Ghost and five baptized in the name of Jesus! Even though we have to use hand sanitizer, gloves, masks, practice social distancing and are having three services a Sunday, God is still proving Himself unstoppable. We are still having revival!

Brazil

Before quarantine began to be enforced in Sao Paulo, Brazil, we had the awesome opportunity to baptize a newly married Haitian couple in Jesus' name! Since then all of our services and Bible school classes have been online. Although this has been an adjustment for all of us, we praise God for awesome reports of refillings of the Holy Ghost in living rooms and of several healings. During this time we even received a report that one woman prayed for went back to the doctor and was told that her lung cancer had completely disappeared! God is still moving!

Guatemala

Due to the pandemic, close to 70% of Guatemalans are out of work or have reduced income. Many families are without food and means to pay their bills. The UPC of Guatemala has given groceries to over 3400 families, helped seventy-eight pastor's families and assisted thirty-four new or smaller churches. In one community, the church is providing meals for the elderly. We are grateful to all who have helped make this possible. This is the church being THE CHURCH!
