

General Conference 2014 Theme - Advance His Kingdom

I am global. With the number of places I'm honored to visit every year, it's hard to imagine becoming any more global than I am right now. Why am I global? One simple answer: to reach the world through the global church and our global missionary family; preaching and teaching the global message of Acts 2:38.

To be global, we need the miracleworking hand of God. When we talk about miracles, we generally refer to blind eyes opened, deaf ears unstopped, the lame walking, the dead raised, and the masses of people hearing the Word of God. The miracle we need at General Conference 2014 is a paradigm shift of how we give and send our missionaries to the field. On October 1, 2014, we will be take part in a global offering where the church from around the world will give a record-breaking offering to send twenty-six missionary families back to the field. We must have a miracle of giving that only can be fulfilled through God burdening the hearts of this body for the laborers to be sent.

Will we be able to send back the twenty-six families from that service? I sincerely pray that this vision is fulfilled. We are positioned for divine intervention and a notable miracle for a global church. To donate, send checks designated for "I AM GLOBAL" to:
