## General Conference 2016 Theme - Follow

For the last two years at General Conference, we watched in awe as the Spirit of the Lord came across the congregation in a flood of giving that has never been seen in the United Pentecostal Church International. Over the last two years the church has given in excess of \$6.8 million dollars.

What a miracle that has taken place! What a mighty move of the spirit of giving upon the great people of God and all for the cause of reaching the world with the gospel of Jesus Christ by sending missionaries back to their fields in an expedient rate! It is humbling and exhilarating at the same time.

We have been privileged to send forty-eight missionary families back to the field because of the

selfless giving of the church. Jesus is coming for his bride soon and we must do all that we can to seek and save that which was lost!

The body of Christ has been ignited with the work of this mighty miracle. There has been a surge in giving across the fellowship to all causes and revival is breaking out in every church as they continue to sacrifice. I have received testimonies of pastors who have taken this back to their churches, found that the spirit of giving had caused the churches to double, even triple, their pledges made at the General Conference service.

Already people are calling and writing, asking if we will continue this at General Conference this year and in time to come.

The answer, of course, is yes!

We will be working with our local District Global Missions Directors to contact every pastor and ask them to please get involved in this endeavor of the last day church. Every one of us can be global by giving to this great cause. We give and by doing so, we send!

Let's send more missionaries back this year and see God do a miracle at home and abroad! It worked and it will work again! Join us today and you, too, can say – I AM GLOBAL!
