October 2020

## Venezuela

Venezuela has been in quarantine since March 2020. We have been without gasoline, electricity, and water. Some places have ordered a curfew and we are not allowed to travel from state to state. Many times, I have spent over twelve hours in line for gasoline and still wasn't able to fill up because of the shortages. But, we still thank God for all He is doing in this nation. Many pastors have reported revival in their area. Pastor Juan Roda has been working with the Venezuelan refugees on the border of Colombia. Many of them have repented and are being baptized in Jesus name. Pastor Jose Gregorio Mora has baptized over eighty people since March! Pastor Jose Fonseca also baptized twenty-six people in the name of Jesus in the city of Sabana de Mendoza!

## France

The youth of the Greater Paris Region are on fire for God! At the end of 2019, Paris Centre Church created and hosted a city-wide event called Paris For Jesus. Youth from six of our Paris Area churches participated. It consisted of prayer walking, identifying the field and workshops on evangelism to various people groups. It culminated in a profound commitment service in which over 100 apostolic young people were broken and weeping before God for this great but spiritually dark international city. Sister Kendra Shock ministered mightily at PFJ. The momentum continues.

## Kenya

In spite of the increased government restrictions on church gatherings, we have continued to see souls added to the Church by the grace of God. A few recent highlights from the field over the period April to June 2020 include: 663 souls being baptized in Jesus Name and 403 filled with the Holy Ghost! Additionally, 607 people have been healed by the power of Jesus Christ!

## Spain

During Pentecost Sunday the majority of our churches were still unable to meet or had limited capacity due to COVID-19. So we sent leaders into the homes of those that needed the Holy Ghost to watch the live stream with them and, at the end of the service, to pray with them to receive the Holy Ghost. Throughout Spain we had seventy-nine filled with the Holy Ghost and fifty baptized in the name of Jesus on Pentecost Sunday 2020!
