Vietnam

It's been another great month of baptizing people and seeing them filled with the Holy Spirit. While we have given our complete focus to reaching the Vietnamese people, God has also sent us many people from other nations for a short time before they return back to their home nations. As of this month, we have been able to baptize people in Jesus' name and see them filled with the Spirit from thirteen different nations! God has continued to bless our Sunday school class with more children. He has sent us some Vietnamese orphans to attend class and we are so thankful to be able to teach them about Jesus!

Paulo, five were baptized in Jesus' name, and one received the Holy Ghost! In the city of Sumaré, at a church that your giving helped start just two years ago when we got back on the field from deputation, seven were baptized in Jesus' name and six were filled with the Holy Ghost!

During the recent family camp, one of the new families included a man who did not hinder the family's church involvement but was an unbeliever and did not participate. Nevertheless, he agreed to accompany the family to the camp. During the first service, he stayed in his room. The next night, he sat in an adjoining room and listened to the service through the wall. The third evening, he sat at the back by the door. As the service progressed, he began to clap and worship with others, and when the invitation was given for us all to come to the front, he joined us. He received his personal Pentecostal experience that night, his seventy-first birthday, and was baptized in Jesus' name the next night along with his grandson (who received the Holy Spirit the first night) and granddaughter – as well as two other adults and four young people who had received the gift of God's Spirit. What an amazing opportunity to be a part of this great week!

With great joy I testify of what God did in our Strong Ipun Tower Church.

First, to God be the glory for His blessings at our harvest party. Our harvest feast was a success with thirty-three souls baptized in water in the name of our Lord Jesus Christ and an estimated attendance of 450 people. It was a day full of challenges but we made it.
