## Mexico

In the early part of July, my assistant pastor, Bro. Alan Alvarez, sent me a message explaining that when he arrived to the church on Monday morning for ladies prayer meeting, someone had poured a salt line across the front of the church door and left dolls wrapped in red cloth. I immediately told him that a witch was challenging him and our church. I told him to confess any hidden sin in his life so he would be ready to engage the witch. After he and his wife finished praying, I instructed him to break the salt line, pull down the dolls and wait for the witch to show up. I told him that she would immediately sense the salt line was broken and show up in efforts to intimidate him. I told him that when she arrived, he needed to say "the LORD Jesus rebuke you" in a very calm but authoritative way. I instructed him not to engage in dialogue but in a prayerful and humble spirit, rebuke the enemy in Jesus' name. After four hours, I received a text that included these photos of the witch being baptized in Jesus' name. After her baptism, I told Bro. Alvarez to go to her home and clean it of any witchcraft

objects. I also instructed him to ensure every object was broken. If at first she was afraid, he was to break one single small object so she would know she had nothing to fear. But after that, she, along with anyone else in her household

were to break every single one of the objects to break the habits and spiritual attacks.

They threw away four trash bags of broken objects. She has since testified of her baptism to all her ex-clients, and 148 of them have been baptized in Jesus' name!

## Latvia

We have been teaching a Bible study to a man who cannot hear and only understands Latvian. We have had weekly Bible studies where we communicate through lip reading and texting. A few weeks ago, he came to our home and was baptized in Jesus' name. As he was baptized, he watched my lips to make sure it

was in Jesus' name and repeated it after me. When he came out of the water, we raised our hands and praised God together and God filled him with the Holy Spirit.

## Samoa

God is on the move here in Samoa! The church is growing, God is being glorified and we are excited about the future of God's church here in Samoa! The winds of revival are still blowing. People are hungry and they are being filled! Here are some highlights since our last newsletter: We baptized twenty-four at our General Conference and thirty were filled with the Holy Ghost! We've had six graduates this year for certificate level and thirteen students continuing next year for their diploma! Last but not least, LifePoint Church alone has seen six baptisms and five filled with the Holy Ghost!
