Global Glimpses

PHILIPPINES: The Apostolic Youth Corps was a great blessing to the Manila churches they were able to visit. Since the trip we have heard from the various members that the Philippines missions trip was a blessing to the individual members of the AYC group. Thank God for our Youth Division of the UPCI and its vision for our young people, exposing them to the work of God on foreign fields. Only God can measure the results.—**David and Donna Flowers**

studies every day in his house. The brother next to him is running a daughter work and has around forty new souls that he is working with. He is also on the radio, and tirelessly working anywhere he can to spread the Gospel. Thank God for Bible college!—**Peter and Robyn Gratton**

SIBERIA: Half a world away, as I travelled the overnight train on the Trans-Siberian Railroad, I was engrossed in a conversation with the drunken man with whom I was sharing the train car. His imploring question “Why are you here?” had my mind grasping for a response I hoped he would understand. I am a missionary, looking for the city I should start a church in first, I replied. Through his slurred speech his bright green eyes gripped my heart as he drunkenly begged: “Start here...”

Our travel is the product of much more than a burden, and it goes well beyond just a function of the church. There is a desperation in the hearts of mankind for someone to start with them.—**Scott and Niki Carpenter**

EUROPE / MIDDLE EAST REGION: More than 800 people came together in Milan, Italy, for 34th Annual General Conference. Every service was power packed. A number of people were filled with the Holy Ghost and many were delivered, healed and set free.—**Michael and Dianna Tuttle**, Regional Director, EME

REPORTS FROM THE PACIFIC REGION

● Brothers **Darrell Johns and Wayne Huntley** blessed the Philippine Conference with outstanding Bible directive messages. Brother Johns gave the Ordination charge to twenty-seven ministerial couples.

● **Reverend Mark Parker** has ministered throughout the Pacific countries. In June, the West Samoan Conference was blessed by his ministry and God moved in miracles, many souls refilled.

● The Tongan church is growing and the youth are excited. Many refilled, new youth and children filled with their precious Holy Ghost experience.

● A mighty move of God at the Papua New Guinea Conference, many precious souls came forward for water baptism in Jesus’ name

VANUATU: One of the highlights of national conference 2012 was the graduation of four students. All are actively involved in reaching the lost. Pictured above from left to right: the two sisters on the left are teaching in Sunday schools on another island, and also in a Christian based literacy project in a new outreach village. The brother on the right has brought over ten souls to the Lord and holds Bible

KINGDOM OF TONGA: July 19-22, 2012 our General Conference was held. **Richard Denny**, the Pacific Regional Director, blessed the kingdom with his ministry. The Lord moved in a mighty way and reports indicate that twelve people were filled with the Holy Spirit during this time. Heaven always rejoices when people step out by faith into the full revelation of truth and we are rejoicing with them, too.—**Crystal Reece**

FINLAND: The Europe/Middle East Prayer Commission spearheaded a prayer trip to the nation of Finland. Pictured below is the great team of prayer warriors from various countries who met in Helsinki, the capital, and spent a great amount of time interceding for this pioneer nation of the United Pentecostal Church. We joined hearts and hands with the Alphin Family who are diligently laboring to see a church established.—**Robert and Jerolyn Kelley**
