Global Glimpses

ESTONIA: During our summer conference in Tallinn, **Evangelist Brian Norman** ministered and God confirmed His word, filling two with the Holy Spirit. In the city of Narva, Brother Norman ministered, and God healed a woman among our many guests of high blood pressure. We advertised in newspapers and mailed 10,000 invitations to our Bible history course, which yielded enthusiastic and faithful new students. Meanwhile our family received permanent residence permits to live in Estonia - a huge victory and mark of stability for the work here.—**Nate and Ingunn Turner**

DOMINICAN REPUBLIC: This year we celebrated fifty years of the UPCI in the Dominican Republic and were honored with seven guest preachers! **Brother Marvin Reyes** was our main speaker along with **Brother and Sister Jerry Burns** (first resident missionaries to the Dominican Republic) and **Brother Terry Ballard**. Also ministering were **Brother and Sister Gabriel Cruz** (former missionaries to Dominican), **Brother Michack Lespier** and family (Puerto Rico), **Brother Felipe Matos** and family (Raleigh, North Carolina) and **Brother and Sister Neftali Oller** (Miami, Florida). It was a wonderful three days of conference at the Air Force auditori-

um with our largest attendance of approximately 1,200 on Saturday.—**Steve and Kari Shirley**

SINGAPORE: In the past few weeks we have celebrated church and pastoral anniversaries and rejoice with all the churches as they continue to grow. The international church had over 500 attending its special meetings with twenty new souls being buried in the wonderful name of Jesus.—**Steven and Lynette O'Donnell**

GUATEMALA: Recently, I visited one of our churches in the capital city as they graduated nineteen people from their new converts class. All of them had been baptized in Jesus' name and filled with the Holy Ghost. The most exciting news to me was that they already had twenty-three new people signed up to begin the next new converts course. I love this church and their pastor's family. Talk about a church in revival!—**Lynne Jewett**

KENYA: April's National Ladies Conference was our largest attendance ever, reaching 640. Guest teachers were **Sister Mary Loudermilk** and **Sister Darline Kantola Royer**. The guest speaker was **Sister Sharon Roch** from Houston, Texas. Fifteen received the Holy Spirit, many claimed healing and seven were baptized. **Sister Susan Smith** was with us also and she helped with altar services and made many posters of doctrine, faith, unity and encouragement.—**Jim and Karen Crumpacker**
