Monthly Project Highlights

1 - KITCHEN CUPBOARDS IN PAPUA NEW GUINEA

\$5,000

We have a brand new kitchen/catering room built and we just need to outfit it with cupboards and appliances. We have forty-two students from all over the country that we feed twice a day. This will be an investment that continues giving for years to come.

Project #: GMGP.5110.2204

2 -EVANGELISM & TRAINING SEMINAR

\$3,000

Cambodia is primarily a rural nation and many of its pastors are farmers. This seminar would provide an opportunity to bring these pastors together for training. Your giving would cover the cost of transportation, lodging and meals for forty ministers.

Taiwan

While receiving numerous reports of healings throughout the country of Taiwan, we received one report in particular about a woman in her fifties who was born with one leg shorter than the other. She was prayed for and her leg grew out to the correct length! We are also happy to report that many are being baptized and receiving the Holy Ghost.

Germany

It was an honor to minister online to the GSN Campus Ministry, led by Sis Sarah Mock. This ministry is doing a great work in schools and universities across our area. God is working!

Republic of Georgia

In the Republic of Georgia, God has opened up doors of opportunity for us (DeTemples) to witness to local churches who do not have the full knowledge of truth. We've seen over twenty people receive the Holy Ghost, thirty people baptized in Jesus' name and many miracles!

Gabon

The church is continuing to grow despite our current conditions with the global pandemic. As I (Colleen Carter) am finishing up deputation, and anxiously anticipating my return to the field, we've received reports that eight people have been baptized and three received the Holy Ghost. Lastly, our Bible training center is nearly completed! Thank you for your support!
