## TRINIDAD+ TOBAGO

Our borders have been closed for almost a year but healings, signs and wonders are taking place in Trinidad and Tobago! Just last month, a woman who was in a coma and diagnosed to be in grave condition

was prayed for and rose up in Jesus' name! Revival is in the land!

## GREECE

We received a message from a Greek man desiring to talk to us. In his message he stated the revelation he received! "There is only one God, I see it and I must be baptized in the name of Jesus." A few weeks later, a man in our church received

another message from a Greek lady who desperately expressed her revelation and desire to be baptized in the only name given to us for salvation. We rejoice for these two eye opening revelations of truth that have taken place!

## PORTUGAL

In Portimao, six were baptized in the name of Jesus and two received the Holy Ghost. In Quarteria, six were baptized in the name of Jesus and four received the Holy Ghost. We have

also started Virtual Aim which has been revolutionary. Saints from across North America have reached across to help the work here using virtual platforms. We were blessed to have many virtual guest speakers minister to the saints, along with language and workshop teachers and others who help with administrative tasks. We've also had incredible virtual prayer walks. We have the desire to establish five new "launch

cities" in the coming years. We want to plant in Braga, Coimbra, Faro, Guimarães and Lisbon

## SPAIN

We have opened our first UPCI church in the province of Castilla-La Mancha, Spain! Our newest

daughter work in Sta. Cruz de Retamar is officially dedicated and launched, already reaching and baptizing people. We are so excited about the future of this great work. In the month of February, we held our Faith Promise Commitment services. We had a full crowd in all five services, wonderful preaching, a great response in the altars & tremendous giving. Eight daughter works started in the last five and a half years and we believe more is yet to come.

## Monthly Project Highlights

### NEW CHURCH PLANTS

You can be a part of opening a new church plant. For approximately \$500 we can pay a monthly rent. Currently we have three cities in Trinidad and Tobago that are ready to open as soon as we obtain the finances.

Project #: GMGP.168.2501

### HOUSE CHURCHES IN CUBA

Cuban churches are comprised solely of 'house churches'. The church of Cuba is expanding and thus presents the need for more. This project requires a total of \$6,000 to be accomplished.
