2018 Special Project Appeal

In a world full of agendas, many of them self-serving, we as the body of Christ have an agenda that supersedes all else—to reach the whole world with this great gospel. No one will argue the fact that we are near the end of all things and are facing the coming of the Lord. Our meat is to do the will of God and to finish His work. His work while on this earth was to seek and to save the lost of this world, and because of our relationship, it has become our work in this generation. Each year around this time, we have the great opportunity to accomplish His will by giving to great causes that remain yet unfulfilled. If . . .

- your church has extra funds in its missions treasury that have yet been undesignated;
- you are a person that has been financially blessed and you want to pass along that blessing;

we have a project in each of the six regions of the world that would greatly benefit from your efforts. A donation of any amount will help us finish the work that has been started. Please join us in doing the will of God and help finish His work by taking one or more of these causes to heart. Please send your donation, to **Global Missions, 36 Research Park Court, Weldon Spring, MO 63304**. Please designate your offering with the codes listed below.

Pacific Missions Housing - \$19,000.00

Since hotel expense is so high, the building of a missions apartment on the grounds of the UPC Headquarters property in the Solomon Islands is imperative to save money. Guests utilizing the apartment would include the area coordinator, and appointed missionaries as they come in for training, administration and evangelism.

Europe and the Middle East

Building Renovation - \$10,000.00

A building in Holland is in need of significant renovations. This building will continue to serve as an evangelism and training center for the UPC Netherlands. The building is in need of a new roof, paint and structural repairs.

Next Steps

This summer, for the first time ever, there are two Next Steps Assignments – Sri Lanka and Tanzania. Thirty-one young people, along with a great group of instructors will be in these two locations for eight weeks of missions apprenticeship. Three weeks of full-time training leads into five weeks of hands-on practical cross-cultural experience. We need financial assistance with supplementing the overall cost of this program (housing and feeding the instructors for the program and many other incidentals). An offering of any amount would be appreciated! Your assistance goes a long way in helping young people discover and take their next right step. Additionally, funds are needed for the general promotion of the AIM (Associates In Missions) program.

Asia

Motorcycle - \$3,500.00

Transportation is a challenge in Nepal. Generally, the cost of a taxi on a regular basis is more than a local pastor can afford. Motorcycles are a cost effective and convenient means of transportation. Please consider donating towards the purchase of a motorcycle for a pastor for West Nepal.

Africa

Ethiopia Training Center - \$50,000.00

There is a pressing need to open and furnish a training center in Ethiopia. In this nation of 103 million people, we presently have no facility to serve as a Bible school or training center.

South America

Copier - \$3,000.00

There is a need for a high-speed copier for the Bible school in Buenos Aires. Copiers are essential for the duplication of study materials as well as tracts to be handed out. This project can be funded for \$3,000.00.

Central America and the Caribbean

Bible School Furnishings - \$8,500.00

There is a need for various furnishings in the Bible school in El Salvador. There is a need for desks, chairs, bunk beds and fans in the dormitories. This project can be funded for \$8,500.00.

Code: GMFOPT.3080.2204

Regional Missions Program

Support of Regional Missionaries - \$5,000.00

Regional missionaries are national ministers approved and sent by the church of one of our six overseas regions. Their field of labor may be within their home region or in another region. Regional missionaries do not have deputation privileges in North America, and this program does not replace the missions effort of Global Missions. Rather, the Regional Missions Program serves to augment such efforts. When one supports a regional missionary, he is supporting the program rather than the individual.
