GLOBAL GLIMPSSES

NEW ZEALAND - God is doing wonderful things in the nation of New Zealand. At the church in Hamilton we have seen great growth. When attendance first began to be tracked last year, there was an average of fifty-five people the first month. By the end of the year, there was an average of seventy-one and our most recent month finished at eighty-nine per Sunday. God is drawing people to the church! However, more than simply drawing, God is working. Recently one of our congregants' nephews had a serious health crisis and ended up in a coma. Prayer began and God intervened. The same night that prayer was requested, the young man came out of his coma and is on his way to recovery. To God be the glory!—**Brandon and Mollie Borders**

BANGLADESH - We have been blessed to conduct the 29th Annual District Conference in the Chittagong Hill Tracts. Eleven received the Holy Ghost, many were renewed and two were baptized in Jesus' name. Also in our recent family camp, two received the Holy Ghost and many were encouraged in Jesus' name. Brother Corbin was recently privileged to teach one-day Apostolic Ministry seminars all throughout Pakistan. 535 were in attendance, eight were filled with the Holy

Ghost and over twenty-six were healed in Jesus' name. We thank God for revival in Pakistan and for the Apostolic Foundation that has been established by previous missionaries and brethren from Pakistan.—**James and Elizabeth Corbin**

URUGUAY - God has opened a door for us to start a kids church in an underprivileged neighborhood. Every Saturday afternoon we go to Ana's house (an elderly lady from our church) for a Bible lesson, songs, crafts and a hearty snack. Kids from the neighborhood come each week, excited to learn and eat!—**Jacob and Mandy Palma**

ROMANIA - Our first months back in Romania have been led of God! The UPC church in Bucharest is in a season of revival. We are having record attendance and have started weekly youth services. Our youth is on fire for God, baptized in Jesus' name and seeking the Holy Ghost! Christine led six ladies from our church to the Europe / Middle East Ladies Conference in Greece. They were impacted by the powerful services and the love shown toward them.—**Daniel and Christine Patterson**

Projects of the Month

Argentina Church Roof

A church in Argentina is in need of a new roof and does not have funds to complete the construction. The new roof will cost \$2,000.00 and donations of any size will help complete this project. **To donate to this project, please reference project number GMGP.6102.2102.**

Kenya Water Well

The United Pentecostal Church of Kenya is in need of a water well or borehole at their new conference site in Nakuru. This would supply water for conference attendees. The estimated cost of a new well is \$15,000. **To donate to this project, please reference project number GMGP.1135.2701.**
