GLOBAL GLIMPSSES

BRAZIL - God opened doors for us to rent a wonderful storefront in the center of São Paulo. It is close to several forms of public transportation (metro, train, and bus) making it very easily accessible for those in our city. We also were able to rent a storefront in the northern zone of the city where we had been holding services in homes, with many visitors always in attendance! We were able to baptize a lovely couple in Jesus' name at the beginning of the month of March, teach in two of our Bible schools and hold several home group services.—**Aaron and Tiffany Anderson**

LATVIA - A couple of days before the borders closed in Latvia due to COVID-19, an AIMer baptized a friend that she had been working with for some time. With the borders closed and severe restrictions on group sizes, we then proceeded to continue ministering online with Bible studies, home groups, YouTube videos, etc. We found this time to be a great opportunity to increase the local church's online presence and began putting apostolic teaching online in Latvian and English. The church has remained strong

through this trying time and we are looking forward to the future with faith.—**Luke and Larissa Havens**

JAPAN - God is so good and during this time of being shut in, the church is alive and well. Here in Fukuoka, we are enjoying the weekly Zoom sessions for prayer, worship and fellowship. We praise the Lord for technology and how it is helping us to stay connected during this pandemic. Pictured below was our southern region minister's prayer meeting. There was great unity and agreement in our time of prayer together. No doubt God is working.—**Les and Laura Clevenger**

ROMANIA - Before there were nationwide movement restrictions due to the coronavirus, we were led of God to make multiple trips in Romania and across Eastern Europe. In Roznov, Romania, the Lord healed a man of pain in his stomach and others testified of receiving a special touch from God. In Budapest, Hungary, three people were filled with the gift of the Holy Ghost. Associate Missionaries Robert and Krisztina Cseh are doing a wonderful job in Hungary!—**Daniel and Christine Patterson**

Projects of the Month

Argentina Church Roof

A church in Argentina is in need of a new roof and does not have funds to complete the construction. The new roof will cost \$2,000.00 and donations of any size will help complete this project. **To donate to this project, please reference project number GMGP.6102.2102.**

Kenya Water Well

The United Pentecostal Church of Kenya is in need of a water well or borehole at their new conference site in Nakuru. This would supply water for conference attendees. The estimated cost of a new well is \$15,000. **To donate to this project, please reference project number GMGP.1135.2701.**
