## General Conference 2019 Theme - I AM

We have seen the hand of God upon the raising of I Am Global funds at General Conference. Over the past five years the church has given over \$12.3 million dollars to send our missionaries back to their fields. Last year we sent ALL of the missionaries on the I AM GLOBAL list back to their fields of calling early. This reduced deputation time by over eleven years!

What a miracle that has taken place! What a mighty move of the spirit of giving upon the great people of God, all for the cause of reaching the world with the gospel of Jesus Christ. Thank God!

We have been privileged to send ninety-five missionary families back to the field early because of the selfless giving of the United Pentecostal Church of North America. This reduced deputation time by over forty-eight years! The soon coming of Jesus for His bride drives us to do

all that we can to seek and save that which was lost!

There is a great fire that has been ignited with the work of this mighty miracle. There has been a surge in giving across the fellowship to all causes and revival is breaking out in churches as they continue to sacrifice. If every UPC church in North America gave a simple \$1,200 offering each year, we would be able to send our missionaries back at the General Conference service without ever taking up an offering.

Think of it! What a celebration we would have yearly with every church doing their part to make the victory possible. We desire to see everyone involved in this great effort to send our missionaries back to the field in haste. Will you join the cause of I AM GLOBAL?

We have been working with our local District Global Missions Directors to

contact every pastor, asking them to please get involved in this endeavor of the last day church. Every church can be global by giving to this great cause. We give and by doing so, we send! Has your church given to I AM GLOBAL?

Has your church had an I AM GLOBAL service this year? Have you sent your offering in before General Conference?

Can you say I AM GLOBAL? Let's send more missionaries back this year and see God do a miracle at home and abroad!

It is working, and it will continue to work with a united effort! Help us shorten deputation for all of our missionaries and reach the world for Jesus Christ! Join us today and you too can say – I AM GLOBAL!
