

**Global Missionaries At  
Our Church On**

**Dwayne & Linda  
Abernathy**

Dwayne and Linda Abernathy arrived in Guatemala in 2009 as AIMers working in many areas of the work. The Lord called them to the country of Belize, and in 2011 they received missionary appointment to that country. While in Belize, the Abernathys spent much time and effort with the Mayan Indian works, opening three new preaching points and overseeing the building and dedicating of two new Mayan churches. Also during this time a new English-speaking work was started in the chapel of the Bible school in Belize City. Upon returning to Belize after deputation, the Abernathys' plan is to see that more English and Spanish-speaking churches are opened in Belize City and a Bible school expansion that will include English classes in order to train more ministers for the harvest.
