Trecina Anderson Portugal

Trecina Anderson attended and was very active in her church, Tabernacle of Pentecost, pastored by Daniel Kyle. She graduated from Florida Atlantic University with a Bachelors degree in Communication and minor in Spanish. There she founded the first Apostolic Christian College Fellowship and saw thirty students filled with the Holy Ghost and baptized in Jesus name.

She went on the AIM program to the country of Spain in 2003 and served eight years. There she served as missions promoter, Bible school teacher, sub-coordinator for the English ministry, assisted with administration in the national office and initiated four new departments in the local church in Madrid. During these years she has preached both in Spain and in her travels in the U.S. and has seen many miraculously healed and receive the gift of the Holy Ghost. In 2011 she was appointed UPCI missionary to Spain. In 2015, her missionary appointment was changed to Portugal where she has pioneered two churches in southern Portugal. She has taught in the Bible school as well as working with the national board. On her return to Portugal, she hopes to plant more churches in the Algarve Region of Portugal.
