

Global Missions Service

Date: _____

Larry and Elizabeth Decker Costa Rica

Larry and Elizabeth Decker started the Spanish ministry in their home church in Eau Claire, Wisconsin, teaching many home Bible studies in both Spanish and English. After a few years in the ministry Larry and Elizabeth answered the call to the mission field. They sought to fulfill their missionary calling by accepting a two-year Associates In Missions assignment to Costa Rica under the direction of missionaries David and Yonda Schwarz. After returning home they pastored a church in Bowie, Texas. In March 2012, the Global Missions Board appointed them to the Central American country of Panama where they spent time in ministry and completed the construction of the Bible school in Panama. Larry and Elizabeth were then called upon to return to Costa Rica where they are active missionaries in the country and have oversight of field missions.
