

# Global Missions Service

Date: \_\_\_\_\_

**Patrick & Jean**

**Groves**

**Kenya, Sudan &**

**South Sudan**

The Groveses were appointed to Sudan/Kenya in 2004 and arrived in Nairobi, Kenya, in January 2009, where they taught in the Bible school. Brother Groves serves on the general and executive boards of the UPC of Kenya. They have been involved in traveling throughout Kenya, training pastors and saints in the principles of leadership, evangelism and church planting. He also currently serves as the national superintendent of the UPC of South Sudan.

The Groveses were involved in successfully registering the newly formed UPC of South Sudan in 2011. We currently have forty-eight churches and over forty-two pastors there. They hope to relocate in the very near future to South Sudan in order to help establish this infant church for the glory of God by planting new churches and training nationals.
