

# Missionaries to Namibia

Coming To  
Our Church:

## Keith & Beth Ikerd

Keith and Beth Ikerd have served in Africa together under an AIM assignment as well as fully appointed missionaries. Keith is an MK who was raised in Africa. For thirteen years they assisted Pastor Glover in the great land of Alaska but are now ready to return to the land of their calling, Namibia. Their goal in Namibia is to build up pastors and young ministers in order to establish more preaching points and churches all across this vast nation. We currently have four churches with much potential for growth. A Bible school curriculum will be very useful to the young ministers there. The Ikerds will endeavor to influence many people from the country of Angola who travel into Namibia with this gospel. There is currently no resident missionary in either Angola or Namibia.
