Bobby & Tanya

Lewis

Germany

Bobby was born in the Chicago area and raised in Tennessee. Tanya was born and raised in Louisiana. They met at Jackson College of Ministries and from there relocated to Baton Rouge where they married and launched their ministry. While working in their church the Lord opened a door for them to serve on the AIM program in Germany. Shortly afterwards they were appointed as missionaries to Germany where they served one term before returning to the USA to plant churches. They are thrilled to be returning to Germany to continue planting churches and training workers for the German harvest.
