

Global Missions Service

Date: _____

Jason and Cori

Lucas

Japan

Jason and Cori are newly married (May 15, 2021) and newly appointed missionaries to Japan! Cori was born and raised in Washington State. She attended Harvest Bible College in Scotland and served on AIM there for several years. Cori is a licensed minister, and after she returned home from AIM, she served in youth ministry for several years before being elected as the Washington District Youth President in 2019. It was during this time that God brought Jason and Cori together.

Jason was born and raised in Japan as an MK, the son of missionaries Richard and Jean Lucas. After graduating from ABI, Jason returned to Tokyo, as he felt a call to reach the people of Japan. He has worked the last seven years as an AIMer and Associate Missionary. Jason speaks Japanese fluently and has written and translated many songs into Japanese.
