

GLOBAL MISSIONARY SERVICE

COMING TO OUR
CHURCH

*Henry & Sharon
Ritchie*

**Windward Islands
& French Guiana**

The Ritchies' first overseas assignment was as missionary assistants to London, England, in 1975. Three years later, they were appointed full-time missionaries to the Windward Islands. Later French Guiana was added to their duties. Being the pioneer missionaries to this area, they started churches on the islands of St. Lucia, Dominica, St. Vincent, Barbados, Grenada, Guadeloupe, and Martinique. They pastor the headquarters church in Fort-de-France, Martinique, and Brother Ritchie serves as the field superintendent of the UPCI of the Windward Islands. Much effort has been made to develop and print French-language literature. When returning to the field, emphasis will be placed on the further development of national ministers through the Bible school and also on literature development.
