Jim and Latitia

Robertson

The Philippine Islands

Actively involved in pastoral ministry in British Columbia, Canada, Jim and Latitia Robertson received their missionary appointment in 2002, and arrived on location in Tanzania, Africa in 2006. In addition to teaching in the E.L. Freeman Bible School the Robertsons were involved in pastoral and leadership training, ladies ministries and seminars, and youth ministries/seminars and training.

With no doubt that God had called them to a life work as career missionaries, the Robertsons felt their ministry received further definition in 2011 when they moved to the city of Warsaw, Poland, to work alongside Ray and Judy Nicholls doing outreach and evangelism. New Hope Church was in its infancy when the Robertsons arrived in Poland. The Robertsons have focused on the core church group, pastoring, teaching Bible studies, and actively pursuing Revival By Design. The former location of the church was not convenient to transportation, so a more central location has been obtained, decorated and furnished creating a beautiful place to worship.

In 2017, the Robertsons were asked to move to the Philippines to fill a need in the work there and teach the next generation of leaders in Bible school.
