

# RUSHING

South Korea

Daniel & Monica

Prior to missionary appointment, Daniel Rushing traveled to the Republic of South Korea to help in a crusade. He returned later the same year to participate in a second crusade and yet again the following year for a three-month AIM assignment. The Rushings received full missionary appointment in October 2011 and look forward to returning to South Korea following deputation to assist missionary E. J. Kim with spreading the gospel in this country.
