

BEEK

**John
Susan**

Scotland

John and Susan Beek received missionary appointment in 2006. Prior to starting deputation, they spent five months in Scotland working in the Bible school and pastoring a church in Edinburgh and another in Kemnay. They began extensive training of nationals which brought good results. After completing deputation, they returned to Scotland to complete the training of men for the ministry. The part time Bible school operates once a month and both John and Susan teach classes. The church in Edinburgh is growing, and the Beeks are praying and working toward a great harvest of souls in Scotland.
