## Allan and Carla Calhoun The Netherlands

The Calhouns both graduated from UPBI (Northeast Christian College) in 1990, were married the same year and launched their ministry of assisting, pastoring, building a home missions church and now overseas missionary work. They pastored Oasis of Hope Church in Barrie, Ontario, for seventeen years and were certain that they would live and minister there until the rapture of the church. But God had a different process in mind.

In 2013 the Calhouns became furlough pastors at New Life Church in Gilford, Northern Ireland, and The Pentecostals of Dublin in The Republic of Ireland. Living and ministering in two nations they learned to carry both Euros and British pounds in their wallets simultaneously. After the Associates In Missions term in Ireland, they spent a transitional time on the ministry team of First UPC in Toronto. This was part of God's process as Toronto is one of the world's most multicultural cities, with 49% of its population having been born outside of Canada. They were invited to visit The Netherlands where God confirmed their call and they were appointed in September of 2015.
