

Global Missions Service

Date: _____

David and Donna

Flowers

The Philippine Islands

After many years working in Africa the Flowers received their missionary appointment to the Philippine Islands in 2009. They arrived in Manila, Philippines in June, 2011 where they assumed their duties as teachers in the ACTS Bible school located in Quezon City, Manila, Philippines. At the general conference in 2012, he was appointed as the president of the Bible school. In their most recent school year the student body at ACTS numbered seventy-two full-time students and forty-five night school students. Of this number, they anticipate that twenty-four will graduate. Both Bro. and Sis. Flowers teach courses in the full-time and night-school. As it becomes possible, they travel to various conferences and seminars throughout the Philippines to preach and teach.
