**Howard and Vonda**

**Smith**

**Spain**

The Howard Smith family received their missionary appointment to Bolivia in 1989, serving as pastor of the central church, home mission director and Bible school teacher. While pastor of the central church seven churches were opened through the development of cell ministry. At the 2000 General Conference the Smiths were transferred to Spain. They opened and established a very strong church in the city of Barcelona, opened the Bible school for this region and have opened or helped established nine churches within the country. They served on the national board as Supervisor of the Northern Region and also the Southern Region and served as National Treasurer. They also teach in the Bible schools in Barcelona and Madrid.
