## Dennis and Amy Uecker

Dennis and Amy Uecker were both raised on the mission field; Dennis in home missions churches in South Dakota, and Amy in the foreign mission field of El Salvador. In the past ten years they have participated in short-term missions trips and the Associates In Missions program, ministering in more than twenty countries. Their ministry has involved teaching, music, pastoring, Bible school administration, Sunday school, church planting, and many methods of evangelism. After serving two AIM terms in Latvia, they received missionary appointment to Latvia in 2015. Their desire is to reach Latvia and all fifteen countries of the former USSR with the gospel of Jesus Christ. Their primary focus in accomplishing this goal is through the development and administration of the Robert K. Rodenbush Global Training Center, a full-time Bible school in Riga, Latvia.
