## **Biography**

Nathan and Tanya began their ministry in missions on the Associates In Missions program in 2004 and began to pastor The Pentecostals of Barcelona while planting a new church in a neighboring city. After receiving their full missionary appointment in 2006 they continued to pastor the church in Barcelona as well as planting many daughter churches over the years throughout the region.

Nathan has served as the coordinator of the Bible school in Barcelona, and in many levels of leadership throughout the years in the nation of Spain. In 2017 he was elected as the General Superintendent of the UPC of Spain. In 2018 Spain had record growth with 1,184 being baptized and 1,034 being filled with the Holy Ghost. As of 2018, Spain has over 9,000 members and seventy-three churches.

The Harrods are actively working to start new churches and train new leaders with the goal of having over one hundred churches in Spain by the end of the year 2020
