Biography

Kirby and Mary Parker pastored a United Pentecostal Church in California for eleven years. They were involved in the Western District by serving on the Sunday School Board and attending UPCI national functions. They coordinated the education efforts at nearby junior camps for many years. In the late 1990s they were called of the Lord to pioneer a new work in Malta and were appointed in 2000 as missionaries. They have now completed three overseas terms. An official UPCI recognized church is now operating in Malta. Their appointment was expanded in 2006 to include the North African countries of Morocco, Algeria, Tunisia and Libya. Outreach to Morocco has been a focus for years, with several teams of men and ladies going regularly. They have AIMers due to arrive in Morocco in early 2017. Outreaches have taken place in Libya and in Tunisia. Kirby was appointed to fill the Area Coordinator position vacated by Gary Reed, who recently retired. The area covered in this appointment includes more than twenty nations in North Africa, the Mediterranean area, the Middle East, and the Gulf States.
