### **Biography**

Lonnie and Jill met and married at Christian Life College. They have been in ministry together for twenty-two years. After graduating from CLC, both Lonnie and Jill began working at the college in various administrative roles and as faculty members. During this time Lonnie completed his graduate degree from Western Seminary.

In 2007, with two small children, the Vestals moved to Mason, Ohio to plant a church. They pastored for eleven years. From that congregation a Spanish work was also launched. In 2018, the Vestals transitioned into Global Missions work. After spending a year in Vanuatu as furlough replacement missionaries under the AIM program, they were appointed as Intermediate Missionaries to the nation of Malaysia in 2021.

Lonnie enjoys preaching and teaching in Bible schools. Jill is a talented musician and ladies' minister. Levi works in photography and video production, and Reagan is a gifted singer, songwriter and musician.
