## **Biography**

The Bucklands received missionary appointment to the Philippine Islands in October 1984, more than thirty years ago. After spending an incredible eight years on the island of Mindanao, in August 1993 the Global Missions Board assigned Roger and Becky Buckland to be the first UPCI missionaries to the Czech Republic and Slovakia.

A church was birthed in the capital city of Prague, Czech Republic. With a burden to train young men and women for apostolic ministry, they gave of themselves in establishing two Bible schools, one in Prague and one in Serbia. Brother and Sister Buckland also served as area coordinator for the fourteen nations of Eastern Europe.

They were then appointed Regional Directors to the Pacific Region in January 2013 and now have oversight of the entire region and its personnel.
