## Biography

Bobby was born in the Chicago Metro area and raised in Memphis, Tennessee. Tanya was born and raised in south Louisiana. They met at Jackson College of Ministries and from there relocated to Baton Rouge where they married and launched their ministry together. While working in their local church the Lord opened a door for them to serve on the Associates In Missions program in Germany. Shortly afterwards they were appointed as missionaries to Germany where they served one term before returning to the USA to plant churches. They are thrilled to be returning to Germany to continue planting churches and training workers for the German harvest.
