### Biography

The son of Richard and Jean Lucas (current UPCI missionaries), Jason was born and raised in Japan. He was taught from a young age to love God and to love people. Although his personal dream was to join the US Marine Corps, God called Jason into His army during his senior year of high school. Instead, Jason attended Apostolic Bible Institute, and afterwards, he chose to return to Japan, the land of his earliest memories. Jason served faithfully as an Associate in Missions and then as an Associate Missionary serving as youth pastor, worship pastor and office manager to his home church in Tokyo while frequently travelling to different regions of Japan to minister in meetings. He has organized youth meetings and led worship for many regional and national conferences. He is now honored to serve as an intermediate missionary.
