## **Biography**

For Mike Tuttle, missionary involvement began with International Youth Corps trips in 1972 and 1973 and short term missionary (pre-AIM) appointment in 1975-76. In September 1982 Mike, Dianna and sixteen-month-old Matthew left for what would be a twenty-eight-year-long missionary journey in Europe! Six months pregnant with Anna, Sister Tuttle bravely made the trip to a strange place. The Tuttle's served as AIMers to American military personnel until the fall 1984.

While serving as AIMers, the Tuttlles received full missionary appointment to The Netherlands where they labored for twenty-six years. In 2002 they were also appointed as area coordinator for Western Europe and in 2008 as Military Ministries Coordinator. This would prepare the Tuttlles for their new appointment as Regional Director for Europe and the Middle East which began January 1, 2011.
