## **Biography**

The Doans received full missionary appointment to Japan in 1994 after serving on the Associates in Missions program and pioneering the Okinawa UPC national church in Japan. They have just completed their fourth term, and as veteran missionaries they have started the Okinawa Bible school in Japan and are training national leaders through the Bible school training program. Their work includes pastoring a dynamic, revival Japanese church in the capital city of Naha, serving as the dean of the Okinawa Bible school, and supervising the continued growth of the national work in southern Japan.

This past term they have added the nation of Vietnam to their missionary appointment and have made several evangelistic and training trips into this revival nation, seeing hundreds of Vietnamese baptized in the name of Jesus and receive the Holy Ghost. They have also traveled to other nations of Asia, such as Pakistan, Bangladesh, Thailand, and Taiwan, and have preached in crusades, ministers seminars, and evangelistic meetings seeing a mighty move of the Holy Ghost throughout the continent of Asia.
